Mobile X-Ray Unit Scheduled For Banner Reception in Appearance Here

Preliminary steps in an intensified campaign to insure the success of the Jones County T.B. X-ray survey in Hamlin were taken late last week when city chairman Stanley Carmichael selected working committees for promotion of the service.

With an ultimate goal of 100 percent examination of all persons over 15 years of age in this section of Jones County, the local chairman has outlined an ambitious program. Knowing this, Carmichael asked that each committee member expend the extra effort that will be needed to realize the goal.

Committees selected were:

Clerical Assistance and Hostess—Tate May, Clyde Angel and Ted Russell.

Publicity—Harry Carmichael, Miller Whitehead, Pat Marlow and J. C. Turner.

Location—Dean Witt, Newt Stephens and Mac Brundage.

Transportation—L. R. Hutchinson, Jess Burditt and B. V. Newberry.

Telephone—Mrs. E. M. Wilson, chairman, with aides to be selected by her.

Ministerial Alliance—M. T. York and Howard Smith.

House to House—Jake Lawson, Harold Bonner and Orval Kelly.

Finance—Jim H. King and Gene Witt.

Public Address—Eddie Jay and Louis Cunningham.

Educational features relative to the importance of the free x-ray program have been presented by County Chairman Wesley Nail and interest in the coming event is already being manifest throughout the area.

Dates for use of the mobile unit in Hamlin have been set at August 12, 14 and 15 and the Hamlin Motor Company show room has been selected as the site.

Principals in the state-fostered drive for control of tuberculosis repeatedly stress the fact that no preparation is necessary for the x-ray and the pictures are taken while the applicant is fully clothed. No charge is made for the service.

Lions Hear Talk Regarding Korea

Hamlin Lions were treated to an unexpected but thought-provoking program Tuesday when S. P. Collins, State Commander of the American Legion and chairman of the army advisory committee for Southern New Mexico appeared before them.

Collins had stopped off in Hamlin on a personal visit enroute to his home in Los Cruces when he was pressed into service to tell the Lions of his meeting in Washington with army "brass" relative to the Korean situation.

Text of his talk was in a serious vein and listeners were told that the seriousness of the situation in Korea could not be exaggerated.

Many off the record disclosures were made that were startling to the club membership and as a result of Collins' appearance, many in Hamlin have a view on the international situation that could not have been gained through the ordinary sources of information.

Cardinals Chalk Up Two Victories

The rejuvenated Cardinals of Hamlin went to the baseball wars twice last week and chalked up victories in each encounter.

Rotan engaged the local aggregation on Friday night and a nip and tuck battle followed until the late innings when Hamlin scored at will. Final score in this attraction was 19 to 7 in favor of Hamlin. Numerous substitutions were made and the late innings found many of the Cardinals experimenting at positions that are foreign to them in regular play.

Sunday brought a different complexion to the picture when Dickens returned a previous Hamlin visit.

King, young right-hander and Koonsman, a curve-balling left-hander, were on the mound for Dickens and went into the eighth inning with an apparently safe 5-2 lead over the Cardinals. Some loose play on the part of the Cardinals behind Runt McCoy on the hill had contributed toward this lead.

Then the deluge came. Rowland started the eighth inning with a strikeout for the only time the Dickens battery had been able to get him out. Billie Ray Brown got life on an error by the third baseman. Manager Earnest Jenkins elected to insert pinch hitters in this spot and Horace Black responded with a single over the shortstop. Pinch-hitter Benny Ford picked out a curve-ball and singled to center. Manager Jenkins kept the rally alive with another single to center and then Clyde Brown stepped in there and punched a single over the second baseman. Four straight pinch hitters had hit safely. Joe Ford climaxed the scoring when he singled to drive in the winning run and Hamlin came out of the inning with a 6-5 lead.

Horace Black went to the hill in the first of the ninth and let Dickens down with one hit and two strikeouts to protect the lead. Black's performance on the mound was reminiscent of the old days for many Hamlin fans and his curve was dancing in there. The Cardinals will meet Lorraine at the City Park Sunday and the class of ball they are playing is deserving of better attendance than they have had in earlier games.

TO SEE SON GRADUATE.

Mr. and Mrs. Earl Crow plan to leave this week for Manhattan, Kansas to see their son, Horace graduate. He is attending Kansas State College and is a civil engineer.

RETURN FROM VACATION.

Dr. and Mrs. Joe McCrary have returned from a two weeks vacation trip which covered around 5,000 miles through The Yellowstone National Park, Daint National Park and Lake Louise in the Canadian Rockies.

Warren G. Harding is the only man who went direct from the Senate to the Presidency.

U.N. Flag for Unified Headquarters

A United Nations flag, already a veteran of U.N. field missions, is given to Ambassador Warren Austin of the USA (left) by U.N. Secretary-General Trygve Lie (center) for use over the headquarters of the USA's General of the Army Douglas MacArthur, commander-in-Chief of the unified forces acting in behalf of U.N. in Korea. Looking on is Ambassador Arne Sunde of Norway, Security Council President for July. The blue-and-white flag was formerly used by U.N. military observers and the U.N. Mediator in Palestine.

Bollworms Infest Stadium Steel Laid Jones Maize Fields Up to Schedule

Cotton bollworm is causing an extensive damage in maize fields throughout Jones County, according to a report from Bill Lehmberg, county agent.

This insect, also known as the corn ear worm and tomato fruit worm, very seldom attacks feed crops other than corn in this area. Due to the excessive rains in July, this insect has built up large numbers and has migrated from corn to maize and then to cotton.

Control measures on maize require the use of five per cent DDT dust at the rate of 20 pounds per acre applied between 3:00 and 4:30 p. m. At this time of day, the heads lose their compactness and this allows the dust to penetrate better.

For bollworms in cotton two to three pounds of toxaphene or 2-1 mix per acre as a spray or 10 to 15 pounds of 3.5-40 or 20 per cent toxaphene and 40 per cent sulphur as a dust will give you good control.

Steel erection on the new football stadium for the Hamlin Pipers is progressing steadily and contractors are beginning to look for the arrival of the lumber which has been specified for the seating in the structure.

It has been announced that no difficulty is anticipated from the lumber source, inasmuch as delivery was promised at a date now drawing close.

Completion of the stadium will provide Hamlin with a seating capacity for 2,000 fans on the west side of the field and the elevation is such that every seat in the stands will provide an excellent view of the play on the field.

It is felt that the class of football that will be played by the Pipers this year will tax even the increased seating capacity and the new structure will provide a strong bidding point for other attractions in the region.

W. F. Johnson of Hamlin was a medical patient last week in a Rotan hospital.

Lt. (jg) G. A. White Fighter Pilot On Carrier Valley Forge Off Korean Shore

Lt. (jg) Garrett A. White Jr., foster son of Mr. and Mrs. Lewis C. Yates, formerly of Brady, but now of Hamlin received word early this week that he is aboard the U. S. Navy aircraft carrier U. S. E. Valley Forge, operating somewhere in the Korean waters.

Lt. White is a 1942 graduate of Brady High School and was attending Texas A&M College, College Station at the time he joined the Navy Air Corps in December 1942.

He received his commission and wings at the U. S. Naval Air Station at Corpus Christi in July 1944, being in service continuously since then. Prior to his present sea duty, he has served two years at Barbers Point, Hawaii, where he was a member of an all-weather squadron. He is a night fighter pilot and is making the Navy his career.

Lt. White received his early schooling in Brownwood where he lived until the death of his mother, Mrs. Christine White, who was a laboratory technician at a hospital there at the time of her death in 1933. He has made his home with the Yates since.

Amerson Field Center of Oil Activity for Week

Veterans of Foreign Wars Pledge Aid To Hamlin and County as Defense Unit

Commander C. W. Gold of the Veterans of Foreign Wars Post 6014, Hamlin, has proffered the services of the entire membership of his organization any emergency that might arise because of the serious aspect of international conditions.

Commander Gold volunteered the services of his organization to Mayor B. M. Brundage, to County Judge Roger Q. Garrett, to the city commission and to the county commissioners court.

"In the event the Texas National Guard and active reserve components of the army and navy are ordered to full time military duty, we of the Veterans of Foreign Wars assure our city and county of our fullest cooperation and immediate action in forming the nucleus of a home defense unit qualified to meet any emergency that might arise," Commander Gold said.

gency that might arise," Commander Gold said.

The V. F. W. commander also pointed out that every member of his organization has served in his country's armed forces on foreign soil, or on hostile seas in time of war, and that in the ranks of his post are men expertly prepared and competent to handle any emergency that might possibly arise because of present world conditions.

"We of the Veterans of Foreign Wars urge our fellow citizens not to be alarmed and in organizing our post into a unit ready to take over in an emergency, we definitely are not even remotely attempting to create war hysteria. On the other hand, we are only making certain that should the demand arise we will be ready for action," Commander Gold said.

Rileys Buy Lail Cafe With No Changes

A transaction whereby the Lail's Cafe was sold to Mr. and Mrs. Clyde Riley was completed late last week and the cafe is now being operated at Riley's Cafe.

Mrs. Riley informed representatives of The Herald that the cafe would be operated on the same plan as heretofore and that they will strive to serve the public well.

Bus Station Moves To Coltharp Stand

Removal of the bus station which will serve the Abilene Northern Coaches and the Texas New Mexico and Oklahoma bus lines was completed this week when installations were made at the Coltharp Service Station, adjacent to the Harden Hotel.

It was judged by the companies that the new location would give better access to the traveling public to their facilities and the move from the former location on East Lake Drive resulted.

A separate waiting room for the use of bus passengers has been outfitted and will provide roomy accommodations for the use of the public. The room formerly used as an automobile show room has been converted to this purpose.

Necessity for a full time employee for the handling of ticket reservations and baggage and express forwarding has led to the installation of Mrs. Coltharp in that capacity.

Considerable confusion has resulted from reassignment of the former telephone number of the bus station and Hamlin should note that the new number is 111. The Harden Hotel is not identified with the new bus station.

Airplane Landing Strip Needs Repair

Arrival of a distinguished guest in Hamlin this week brought to light the need for immediate work on our airplane landing field.

Undergrowth has accumulated at the field to such an extent that the strip is obscured and it makes landing and take-offs hazardous. The city administration took immediate steps to remedy the situation after the airplane was damaged in landing here.

CALVESTON VISITORS

Mr. and Mrs. Austin Poe are spending the month of August on the shores of the Gulf of Mexico at Galveston.

They will return to Hamlin early in September.

News is formed from the first letters of North East West and South.

Insect Count Is Heavy For County

Cotton insect infestation count made last week throughout the county show that the insects are still working everywhere, according to a report from Bill Lehmberg, county agent.

From the Hamlin area, T. C. Blankenship and H. V. Eades reported 10 per cent bollweevil infestation, 40 per cent fleahopper and medium bollworm damage.

The Hawley area count made by Bill Swindle show bollweevils five per cent, fleahoppers, nine per cent and light plant lice damage.

The Avoca count made by C. A. Williams, shows 20 per cent bollweevil, 26 per cent fleahopper, and light leafworm damage.

In the Stamford area reported by Gerald Proctor, there is a four per cent bollweevil infestation, 10 per cent fleahopper infestation, light bollworm damage and light leafworm damage.

In the Anson area, checked by Bill Moore found 11 per cent bollweevil, 18 per cent fleahopper and light plant lice damage. In his check of the Corinth area, there is 30 per cent bollweevil, 14 per cent fleahopper and light bollworm damage.

Counts made by Bill Lehmberg at Noodle and New Hope show that there is an eight per cent bollweevil infestation, 12 per cent fleahopper infestation and At New Hope there is a 16 per cent bollweevil infestation and eight per cent infestation with medium bollworm damage.

Spraying and dusting are still being used for control in all parts of the county.

Activity in the Hamlin vicinity in Jones County oil circles centered around the Amerson field this week when three new locations were staked by the Sohio Oil Co. Locations staked were one on the north line of the J. F. Compton tract, one on the northeast corner of the J. G. Whaley properties and an offset to the Amerson well on the Sam Baise place.

Liner has been set on the original Herring Drilling Co. Amerson well to cement off other pays for a Swastika try. This production depth will be the same as that of the four Whaley wells which are now producers.

Depth on the Ralph Riddle well being drilled by Carl Schultz and associates was reported Wednesday night as being 2450 feet with completion of the well expected by Monday.

Culbertson Number 4, Ungren & Frazier showed salt water at the lower Strawn and was plugged and squeezed to the upper Strawn which was dry. Operators are now squeezing to shut out salt water and make another try at the lower Strawn.

Culbertson Number 1-A, drilled by the same operator, has set cement and will be completed when work is finished on the number four well.

Ungren & Frazier had reached a depth of 1479 feet on their Roberts Number 1, a west offset to the Amerson well.

Texas & Pacific Coal and Oil face on their Ellenburger try 200 has made location and set surface on the Swastika well in the southeast corner of the Pardue Toler field.

The Tucker Number 5 of the T. & P. Coal and Oil missed the Swastika in the Pardue field and will be drilled to the Canyon.

Rig now being used on the Tucker well will be used to drill the Ellenburger well.

Texas & Pacific is drilling their H. O. Cassle Number 2 after completion of the Cassle Number 1 as a producer. Last reports were that the Cassle Number 1 was making about 10 per cent salt water.

Draft Board 77 Calls Twenty-four as Quota

Local Draft Board 77, made up of Jones, Shackelford, and Haskell Counties, has a quota for 24 men to call as its part of Texas' 1,003 quota in the first call for draftees by the armed services.

The men will be called up for physicals in August, and probably will enter service in September, according to a statement by the United States Selective Service Board, men of the 25 year old bracket will be the first called. Under present draft law, only men between 19 and 25 can be called.

Drive-Inn Cafe Is Sold By Johnsons

Sale of the Johnson Drive Inn cafe was consummated this week. Completion of the transaction brought ownership of the popular eating establishment to Mr. and Mrs. Elmer Hawkins, long-time Sylvester residents.

The cafe will be temporarily identified as the Drive-Inn Cafe until a suitable name can be chosen. Other changes in the operating procedure will be announced as they are worked out.

In an interview with The Herald, Mr. Hawkins advised that the customary Monday closing of the cafe would be suspended and a seven day schedule will be followed in the future. Specialties will remain as formerly featured and they assure careful attention to the food requirements of the public.

Mr. and Mrs. J. E. Johnson are continuing to operate the Drive Inn until possession is surrendered Monday. They have announced no plans for the future other than an immediate vacation.

Lone Star Gas Has New Home Economist

Billy June Balch of Tahoka has been appointed home economist for Lone Star Gas Company in this territory, according to a report from Joe C. Darrow of Abilene, Division Superintendent.

Miss Balch will serve homemakers in the 21 towns comprising the Sweetwater, Stamford and Colorado City districts. This also includes the Hamlin area.

The new home economist will be available for consultation on recipes, menu planning, party planning, laundering and household problems. She also will hold cooking schools and give demonstration on the care and use of gas equipment.

KNIGHTS OF NEW AND OLD—West Point cadets, schooled in modern warfare, viewed a suit of armor that once belonged to King Francis I with keen interest as they inspected a military museum in Paris. During their one-month visit in France, the cadets toured the country's military installations and historic battlegrounds.

SPOTS BEFORE THEIR EYES—At the 1950 Chicago Fair, Bernard Welch II, at right, was named national "Freckle King." Welch copped the crown after out-freckling the 1949 titleholder, Herbert Harris. Bleary-eyed judges announced the winner after peering at some 600 youngsters—hardly a spotty turnout.

Too High a Price

Khaki is a Hindustani word meaning "dust colored."

STRICTLY FRESH

A CLEVELAND couple bought a maple highboy in a used furniture store for \$10. Inside it they found \$80 wrapped in an old newspaper. Guess the money had been a top-drawer secret for years.

In Vienna, Austria, an architect inadvertently omitted plans for a staircase and only ground floor tenants could move into the finished apartment house. Sounds like an ideal place for ladder-equipped elopers to move into.

In Chicago, a young mathematics teacher resigned to give birth to twins. As far as we can

see, formulas aren't much different from equations.

A magician in Calcutta, India, rode three miles blindfolded through the busiest part of town. Bet everyone mistook him for a woman driver.

Police are searching for a thief who stole 350 phonograph records in Atlanta, Ga. It's our guess that he's running around in circles.

LONE STAR GAS COMPANY

You're a *Man Alive*...

...when you've slept in the comfort
of Forced Air Central Gas Heating!

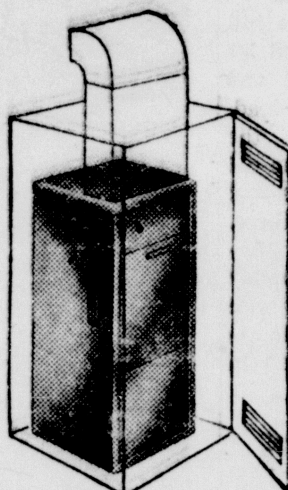

Owners say that *man alive* feeling early in the morning is a stirring experience, after modernizing their present home or building a new home with a forced air central gas furnace.

As you climb into bed a forced air central gas furnace drops room temperature to a fuel-saving, comfortable sleeping level. No windows to open. No heavy bedcovers necessary. Your entire family is snug under light covers in the chill-free, fresh from the out of doors air the furnace circulates all night.

When the alarm goes off, your home is luxuriously warm again—automatically. You've rested better. You're invigorated. Man, you're alive.

And you will agree when you read the facts below, forced air central gas furnaces are practical! Why not see your heating contractor or Lone Star Gas Company, today?

...so practical!

... Forced air central gas furnaces like the one shown here are installed in a small closet. Other types are installed in the attic, under the floor, in walls.

... Planned as part of a home, forced air central gas furnaces add two or three dollars to monthly payments—so little difference from a house with no heating equipment.

... For your present home you can get a forced air central gas furnace installed for a small down payment. Convenient monthly payments up to 36 months are available.

... Don't delay! Get your equipment now to avoid delay, discomfort and inconvenience which will occur if you wait until winter.

IF POLIO COMES

WATCH FOR THESE SYMPTOMS

IT MAY—OR MAY NOT—BE POLIO
CALL YOUR DOCTOR PROMPTLY
If it is Polio, get in touch with your local chapter of THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

FIGHT INFANTILE PARALYSIS

HERE ARE SYMPTOMS OF POLIO listed by the National Foundation for Infantile Paralysis. They may—or may not—mean polio. Call your doctor and then, if help is needed, contact your local chapter of the National Foundation. When polio is around, these precautions are recommended: Keep children with their own friends and away from people they have not been with right along. Don't become exhausted through work or hard play. Don't stay in cold water too long or sit around in wet clothes. Avoid becoming chilled. Always wash hands before eating.

Ouija Boards get their name from a combination of the French and German words for yes.

Mrs. C. A. Simpkins of Rule and Mrs. J. G. Smith of Hamlin were in Abilene on a shopping tour Wednesday.

Toget your second wind means that the body has become adjusted to the need for more oxygen.

Shaving was originally a protective measure since long beards were easy for opponents in combat to seize.

TO THE VOTERS OF PRECINCT 1

I want to thank you for your nice vote and the courteous treatment I have received throughout the whole Precinct. I am sure I have made political blunders and will probably make some more, because this is my first experience.

I have tried to conduct my part on a high plane, and I thank my opponents for doing the same.

As I enter the runoff I feel the same as I did in March when I first announced. The office belongs to YOU. I would not cater to all the whims of everybody, nor do I propose to cure all the ills. But I do invite constructive criticism, and ask for sound advice. I would make a diligent study of all records and court procedure and be careful not to waste the taxpayer's money.

I only have my card and my word to give you, as I have not held any political office. If you will elect me, I will give you my best, and accept the responsibilities that go with the office.

I want and need your vote very much and will prove to you that I appreciate it.

Thanks for every favor.

Your Home Trade Dollar BUILDS A BETTER TOWN

Most every town . . . large and small . . . has a town band. This talented group of local musicians provides enjoyment for young and old alike. Concerts in the park are events that rank high on most everyone's list of good times. The neighborly atmosphere that prevails is a feeling that breeds friendship and happiness . . . a feeling that is good for the whole community.

Trading at home is something else that's good for the community. The merchants here in our town are progressive minded business men intent upon serving the folks in this area with the things they need for everyday good living.

Your Home Trade Dollar does double duty. It not only provides you with the things you need, but also helps to pay for band concerts, sponsor ball teams, support our churches, and otherwise build a better community. The dollars you spend here at home further the well-being and prosperity of the town as a whole. Your dollars provide employment for local people; and pay taxes which are used to make the community a more desirable place in which to live.

Yes, it's smart to trade at home. That's why most folks in our community make it a regular practice. For they find it a real pleasure to do business with merchants who are able to handle their every need . . . merchants who are friendly, and whose every effort is toward serving them better. Trading at home is a good habit to form. It's one way in which everyone can help make OUR TOWN an ever better place in which to live, work and raise our families.

"Your Hometown Newspaper"

HAVE DINNER GUESTS.

Dinner guests of Mr. and Mrs. Weldon Carter Sunday were Otis Harbert and wife and children of Knox City; John Jenkins and family of Sundown; Bill Harbert and family and Mrs. Lala Harbert.

Written history is at least 6,000 years old.

Country roads are almost always sixty-six feet wide because that was the width of the original surveyor's chain.

Herbert Hoover is the only man of Swiss descent to be president of the United States.

The Suez Canal is 108 feet wide and 31 feet deep.

Split Second Often Only Time In Which Tao Recognize Meaning of Hiway Signs

The shape and color of a highway sign should have meaning for you, Mr. and Mrs. Motorist, even though there is no message or symbol on it. You have only a split second at high speeds to read a written message or grasp the meaning of a symbol on a traffic sign. If you fail, you may be courting disaster. Is it not logical then that meaning should be assigned to shapes and colors of a sign as added assurance of your glance recognition? Wouldn't knowledge of both be added insurance for your safety?

From the shape and color of the sign, it is possible for you to tell whether it is a REGULATORY sign intended to inform you of a law or regulation enacted to promote safety and convenience upon the streets and highways, whether it is a WARNING sign erected to tell you of a hazardous condition either on or beside the road, or whether it is a GUIDE or DIRECTIONAL sign to lead you to your destination.

This is the third in a series of four articles designed to make Mr. and Mrs. Average Driver more familiar with traffic control signs, which when properly understood and obeyed, make our highways a safer place to be. This is the story of the GUIDE sign.

Although GUIDE signs are not as important to the motorist from the standpoint of safety as the REGULATORY and WARNING signs, they are certainly invaluable in guiding him to his destination on roads he has never traveled before. They also serve other functions for the motorist such as: (1) informing him of intersecting routes; (2) identifying rivers, streams, parks, forests, and historical sites; and (3) giving him such information as will help him along his way in the most simple, direct method possible.

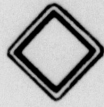

GUIDE signs are divided into three major groups: (1) Route Markers, (2) Destination and Distance signs, and (3) Information signs. All three groups have black letters and borders on a white background, and they are always reflectorized to improve their visibility at night.

Route Markers are either U. S. or State. U. S. Route Markers are used only on the U. S. numbered highway system or the approaches thereto, and they can be identified easily by their shield shape. State Route Markers are used only on State numbered routes and their approaches. There are instances in which a State route follows a U. S. route, and State Route Markers are mounted on the same post under the U. S. Route Marker. Each State picks the shape of its own State Route Markers, and Texas selected the

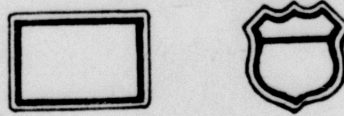

square shaped marker for the reason it gives the greatest space route, and (3) as reassurance marker. Route Markers are erected: (1) in advance of intersections where the marked route is intersected

REGULATORY SIGNS

WARNING SIGNS

GUIDE SIGNS

or joined by another marked route, (2) as confirmation markers just beyond any intersection where there is any possibility that the motorist might lose his reason it gives the greatest space markers at intervals of two miles in rural areas and at whatever intervals are necessary to properly guide the motorist in urban areas. In rural areas the Route Junction Marker is usually erected 300 to 500 feet in advance of the intersection, while in urban areas the Route Junction Marker is erected midway of the block preceding the intersection.

Destination signs carry the name of a city, town or other objective and directional arrow. It is usually located at the intersection to which it applies.

Distance signs are located a short distance outside each city or town, and they show the distance

"EAR-BANGER"—U. S. mortar crewmen in Korea hold their ears as they send their deadly missiles whistling into enemy lines. At right a communications man checks fire results with an artillery observer up front. Packages of C-rations, familiar to millions of ex-GIs, can be seen in foreground.

Visit The Herald For Those Office Supplies, Files, Desks.

tance to the center of the business district of the next town and the next county seat or town over 2,500 population. Where the next town is the county seat, the distance to the following county seat or important town on the route is shown on the lower line. When the name of a town is once placed on a Destination sign, it appears on all subsequent Destination signs until the town is reached.

Information signs show such things as the names of rivers, state lines, parks, city limits, and other things of interest to the motorist. These signs are usually located at the point to which the sign message applies.

Remember that U. S. Route Markers are always the shape of a shield; Texas Route Markers

FIRST CAPTURED RED VEHICLE—Capt. Charles Fisher of Lincoln, Neb., left, and Capt. James Constantine of Knoxville, Tenn., are shown as they examined the first captured North Korean armored equipment. The armored car was seized at a South Korean railroad, where the vehicle had been made ready for shipment to the enemy's front-line forces.

BIBLE COMMENT FOR AUG. 6

God Outranks Governments

IN America we have established the principle of the separation between church and state. But the recognition of God is basic in our American foundations. As an example, our coins are inscribed, "In God We Trust." Still further proof can be seen in the fact that the President takes his oath of office with his hand upon the Bible; witnesses are also sworn in with a Bible oath in our courts.

All of this goes to prove that we recognize a higher law than the law of the state—a standard of right by which the state itself is judged.

The principle of democracy is often defined as the "rule of the majority." That is not quite correct; there is something deeper. That something is the rule of the individual citizen.

One of the most dramatic references to the individual's first allegiance came from the lips of

Jesus, who said, "Render to Caesar the things that are Caesar's, and to God the things that are God's."

Jesus said this when Palestine was under the power of Rome and His enemies tried to trap Him with the question whether it was lawful to pay tribute to Caesar or not. If Jesus had said, "No," His enemies would have reported Him to the Roman authorities; if He had said "Yes," they would have reported Him to the Jewish authorities.

By his answer, Jesus pointed out that the state is not the highest authority over the individual. He made it clear that each of us is duty-bound to render certain things to the greatest and most compassionate of all masters, God.

That is why even today many governments of the world actually recognize the religious convictions of their subjects as being more binding than the dictates of law-makers.

Homemakers Class Meets in Herd Home

Homemakers Class of the First Baptist Church met Thursday at 2:30 p. m. in the home of Mrs. Arnold Herd.

Business meeting was conducted by Mrs. Weldon Carter. Mrs. I. Q. Miller gave the devotional.

Refreshments of sandwiches, cookies and punch were served to all attendants.

Those attending were: Mmes. Wallace Walton, Charlie Abbott, Weldon Carlton, I. Q. Miller, Durkey, A. R. Posey and Bonnie Bingham.

A prayer by Mrs. A. R. Posey closed the meeting.

Wedding rings are placed on the third finger of the left hand because of an old Egyptian belief that a nerve ran from that finger to the heart.

are square; and Destination, Distance, and Information signs are rectangles with the long dimension horizontal. The standard colors for all these GUIDE signs are black letters and borders on a white background.

To The Public...

Announcement is made of the purchase of LAIL'S CAFE.

The cafe will henceforth be known as—

RILEY'S CAFE

and we trust that we will merit your continued patronage.

MR. and MRS. CLYDE RILEY and JOE PAT

TO THE CITIZENS OF JONES COUNTY, PRECINCT 1—

I want to thank you for the splendid vote I received in the July 22 Primary. I will continue to strive to be worthy of the confidence you have shown in me by giving me the vote I received. I only lacked 34 votes getting a majority at this time.

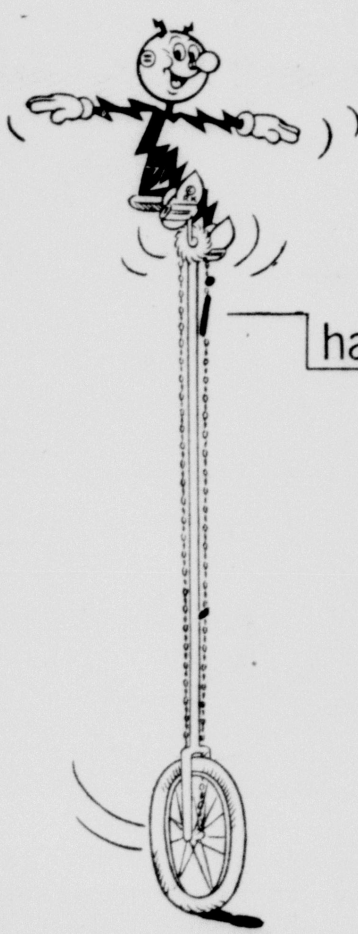

Your cooperation in the past has made it possible for me to accomplish the things I have done, and if you see fit to re-elect me I will continue to serve you fair and impartially. I have tried to give you service with economy, trying to see that you get value received out of each dollar.

I want to thank my opponents the way they conducted their campaign. I appreciate it very much. I have tried to conduct my part whereby I could continue to have their friendship.

My duties in the Commissioner's office have come first and if I fail to see you personally before the August 26 Runoff Election I want you to take this as a personal solicitation for your vote and influence in August 26 Election. Thanking each and everyone of you personally,

ROY C. BROWN

COMMISSIONER PRECINCT 1, JONES COUNTY
(Paid Political Adv.)

The high cost of living

has a long way to fall before it gets down to

the low cost of electric service

For a long time, electric service has been just about the best bargain in your family budget—dependable and ready at all times to make life easier, healthier, more comfortable for you. What else gives you such high living value, at such low cost?

For Constable, Precinct 7:

Elsie Withers and Louise Proctor have returned to Hamlin after a vacation trip to Houston and Monterey, Mexico.

Mr. and Mrs. W. C. Russell returned Friday from a vacation spent in the vicinity of Lyons, Colorado.

A gandy dancer is a man who inspects railroad ties for loose rails and bolts.

REST FOR THE WARRIOR—During a lull in the bitter exchange of blood and bullets for Korean ground, an exhausted U. S. soldier stretches out on the muddy battlefield upon a makeshift mattress of straw. He'll sleep, with rifle ready for instant use, until the next call to combat against the relentless armored foe.

SCARED SOUSAPHONIST—Little ladies and giant sousaphones seldom make harmonious companions as two-year-old Korolyn Low proved at the 48th annual Music Industry Trade show in Chicago. Unable to extricate herself from the mammoth instrument after an ear-shattering solo passage, Miss Low let loose with a scream that brought music dealers racing to the scene of discord.

Plastic Bowls Simplify Food Storage

BY BETTY LYNN CURTICE, NEA Staff Writer

ONE of the most annoying features of after-meal cleanups, to many homemakers, is the problem of what to do with leftovers.

The right-sized dish has to be decided upon; a cover has to be found that will fit the dish before the exasperating search for refrigerator storage space gets underway. And, often as not, after all that trouble the bowl is overturned before its contents are used.

With these aggravations in mind, a plastic company has designed a set of refrigerator containers which make the storage of leftovers less of a chore. The five-piece assortment contains one large quart size, two pint sizes and two ten-ounce sizes, all rectangular in shape.

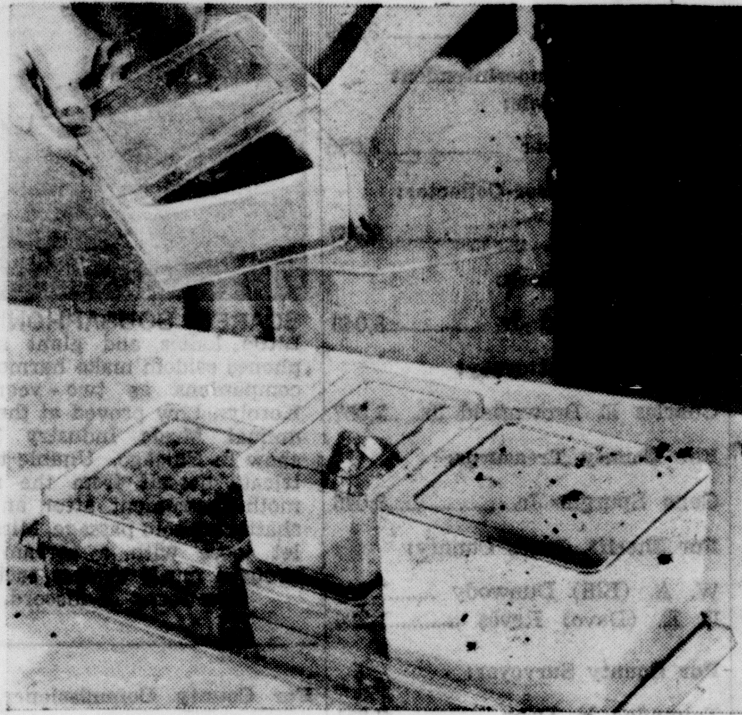

The bowls are flexible, to ease removal of food; lids are rigid, to allow for stacking one upon the other. The lids are also transparent to provide visibility.

Sized to fit the small shelf of the average refrigerator, the dishes are nested within a tray containing three compartments.

The tray is also useful, its makers say, for serving relishes at meals, or tidbits at a party. The bowls are designed to double as small vegetable crispers or as molds for aspics or gelatin salads.

Also available are plastic food bags for perishables not ordinarily stored in dishes. Patterned after the brown paper sacks used by grocers, these bags are gusseted to allow for expansion.

They are sized to accommodate anything from half of a cut lemon to a Thanksgiving turkey. Soap and water washings keep the bags clean and fresh for re-use.

Dorothy Gene Huling Becomes Bride of Tommy Dale Richey in Friday Ceremony

Dorothy Gene Huling, daughter of Mr. and Mrs. Ray Huling and Tommy Dale Richey, son of Mr. and Mrs. R. R. Richey were married Friday at 5:00 p. m. at the home of the bride's parents.

The double ring ceremony was read by Rev. A. R. Posey, pastor of the Hamlin First Baptist Church. Pink and white carnations entwined with fern formed the archway, flanked by baskets of pink gladioluses.

Bride wore an ankle length dress of pink organdy over pink taffeta. The dress had cap sleeves and a small Peter Pan collar. It was fashioned with a fitted bodice and a full skirt. She wore a pink rosebud halo and carried a bouquet of sweetheart roses and

stephanotis showered with white satin streamers atop a white Bible.

Maid of honor, Bebe Doris Shelton of Hamlin, chose pale green organdy over taffeta, designed similarly to that of the bride. She carried a nosegay of Ester Reed daisies. Pink cathedral candles which flanked the fireplace were lighted by Jo Hargrove and Mary Carter. Each wore dresses of orchid organdy over taffeta.

Best man was Johnny Watson of Fort Worth.

The wedding table was laid with lace cloth over pink satin. The four-tiered wedding cake was topped with carnations and maidenhair fern. Pink satin ribbon covered with white lace was pleated into a ripple about the base of the cake. Carnations and gladioluses featured alternating were tucked into the fleecings of the ruffle with maidenhair ferns underneath. For contrast crystal candelabras with pink tapers completed the table decoration.

Mrs. Richey chose for traveling a silk shantung suit with brown accessories. Her corsage was of pink rosebuds.

The bride is a graduate of Hamlin High School and is employed by the Southwestern Bell Telephone Company here.

The groom is a graduate of Comanche High School and attended Abilene Christian College for two years. He is employed by C. B. Drilling Company.

After a short wedding trip the couple will live in Hamlin.

SMITH GRATEFUL

In a letter addressed to The Herald this week, Preston Smith wished to express his thanks to supporters and stated, "I am most grateful for their efforts and consideration in behalf of my candidacy for Lieutenant Governor."

Grapefruit are so-called because they sometimes grow in clusters.

Boston Commons in Boston is the oldest public park in the U. S.

TICKLISH TOPPER—A riot of multicolored velvet ribbons stream from Mago Hayes' "Toss up," an amusing little cap from the New York designer's fall collection. The flirtatious headgear, which may tickle the nape of milady's neck, falls just long enough to cover a close-cropped hair-do.

Medrano-Gonzalez Wedding Rotan Event

Ruth Medrano, daughter of the late Mr. and Mrs. Marcos Medrano of Rotan became the bride of Antonio Gonzalez, son of Mr. and Mrs. Antonio Gonzalez of Hamlin.

Ceremony was conducted Saturday at the St. Joseph Catholic Church in Rotan at 2:00 p. m. Announcement of the marriage came from the bride's brother, Benito Medrano.

The couple will live in Hamlin, where he is engaged in farming.

Legion Auxiliary Sets Election of Officers

A committee to nominate a president for the coming year of the Hamlin American Legion Auxiliary was appointed Thursday evening at the club house.

Serving on the committee will be Mmes. Fred Carpenter, chairman, Ross Fomby and Valerie Hudson.

Business session was conducted by Mrs. Jimmy Simmons, vice president.

Next meeting will be Monday August 7 at 7:30 p. m. All members are urged to attend.

VFW Auxiliary Holds Bi-Monthly Meeting

Bi-monthly meeting of the Ladies Auxiliary of Post 6014 of the Veterans of Foreign Wars met Thursday night at 8:00 at the post home.

Mrs. Bernice Townley, president, was in charge of the meet.

During business session Mrs. Edith Ely and Mrs. Dorothy Townley and Mrs. Mary D. Hymer were appointed as an investigating committee.

Plans were made at a recent meeting to sponsor Ida Red in a musical program in August. In answer to requests the club was informed this week her program was leaving the air for good and plans were made to sponsor the Stamps Ozark Quartet, August 15 at the High School Auditorium.

Mrs. Sara Gold was elected as a delegate from the Auxiliary to the National Convention in Chicago, Illinois the latter part of this month.

New members initiated were: Mrs. Louise Riley, Mrs. Margaret Dalby and Mrs. Charlene Brown and Mrs. Lillian Henry moved her membership here from Stamford.

Sixteen members were present and four new members. Next meeting will be August 16 at 8:00 p. m.

BOOK SHOP NEWS - -

We are planning to have another ODDS & ENDS Sale on the 11th, 12th and 14th of August. If you have taken advantage of one of these sales you know of the really good values we offer in gift merchandise, books and stationery; so, mark the date on your calendar and plan to be at THE BOOK SHOP on, at least, one of these days.

Gayle and Morris Moore of Sweetwater, teen-age niece and nephew of our own Miss Georgia Moore were book shoppers at THE BOOK SHOP this week.

We have the book "Mary" by Sholem Asch in the Rental Library now—also "Jubilee Trail" by Gwen Bristow, as well as other best sellers such as "Bridal Journey", "The Shining Mountain" and "The Wall."

Mrs. E. T. Hill, Mrs. Johnny Smith and Miss Lue Smith of Aspermont were on a Hamlin shopping tour this week and found some needed gift items here at THE BOOK SHOP.

"Little Lady" and "Young Lad" cosmetics by Helene Pessl is a favorite gift for the small if you are not familiar with this fry by those who KNOW of it—very lovely and attractive line do ask about it.

We have some copies of "You Can Change The World" by James Keller, a book endorsed by writers, clergymen, statesmen and "just folks"—we'll save you a copy if you say so!

Remember our greeting cards! A card for every occasion.

Mrs. Tommy Parsons and little daughter, Frances Clothilde, age three of Sylvester were delightful visitors at THE BOOK SHOP. Frances Clothilde wanted a white Testament with her name monogrammed on it—and was she the happy little lady when she left out!

Don't forget the ODDS & ENDS Sale.

Edwards-Olsen Rites Solemnized at Merkel

A double ring ceremony for Letha C. Edwards and William Wayne Olsen was solemnized at 11:30 o'clock last Saturday in Merkel. Both are from Sweetwater. Rev. Tom Keenan of Merkel's First Presbyterian Church, officiated.

The bride is the daughter of Mr. and Mrs. J. A. Edwards of 310 Lamar, Sweetwater, formerly of Hamlin. Mr. Olsen is the son of Mr. and Mrs. John Olsen of 510 West Fifth.

Bride wore a ballerina style dress of blue chiffon with a corsage of white gardenias.

Mrs. Olsen graduated from the Temple High School at Temple, Oklahoma and from East Texas State Teachers College, Commerce and has been teaching at the J. P. Cowan Elementary School.

Mr. Olsen graduated from the Newman High School, Sweetwater and served as an officer in the Army Air Forces for five and one-half years in the States and Porto Rico.

After a short wedding trip, the couple will be at home in Sweetwater. He is employed by the L. E. L. Sales Company of Abilene.

Hamlin Births

Born to Mr. and Mrs. O. T. Kelley at the Hamlin Memorial Hospital, a son, July 27. He weighed in at seven pounds and nine ounces and has been named Michael Dee.

Born to Mr. and Mrs. Fred Vaughan Jr., a daughter in a Stamford hospital, July 31. She weighed seven pounds and one ounce. Mrs. Vaughan is the former Zona Lee Faulkenberry.

**Ben Ramsey Issues
Thanks to Voters**Ben Ramsey of San Augustine,
candidate for Lieutenant Govern-
or and former Secretary of
State, thanked the voters of Tex-
as this week for the votes and
support which put him in the
second primary run-off for Lieu-
tenant Governor.Ramsey expressed confidence
in victory in the second primary
election August 26.Ramsey's statement to the vot-
ers said:"My showing in the first pri-
mary for Lieutenant Governor
fills my heart with humble grati-
tude. It convinces me that I will
be nominated in the run-off."Among my opponents were
some of the ablest and most ex-
perienced of Texas' public serv-
ants—men whose legislative
records have made them widely**RAMSEY THANKS
TEXAS VOTERS**BEN RAMSEY, run-off candi-
date for Lt. Governor, thanked
Texas voters this week for the
vote they gave him in the July
22 Primary Election. Ramsey,
shown here in his San Augustine
law office, said his heart was
"filled with humble gratitude,"
and asked his supporters to con-
tinue the fight and elect him Lt.
Governor in the August 26 Sec-
ond Primary. Ramsey is the only
experienced candidate in the
race.

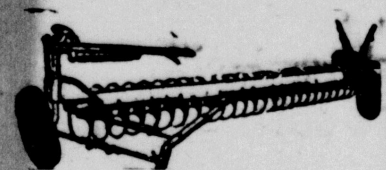

(Paid Pol. Adv.)

**FOWL PLAY**—A flurry of feathers proved too much for this
North Carolina farmer, five-year-old Robert Stamey of Statesville,
so he closed his eyes and went right on with the struggle to tug
this indignant rooster to the family frying pan. Later, young
Stamey opened his eyes and mouth to a hard-earned chicken and
dumpling dinner.and favorably known. It seems
clear that they divided with me
the support of that great major-
ity of citizens who believe that
experience counts in public serv-
ice, as it does everywhere else."I served in the Senate while
three of these men were mem-
bers of that body and three
others were members of the
House. Many of my friends are
also their friends and many
others who know me only from
my legislative record faced a
choice between several men
whom they deemed competent
and deserving."The situation in the run-off
will be very different. I will
no longer be confronting the
popularity and prestige of men
who have served ably in one or
both Houses of our law-making
bodies and many friends who
share my own admiration for
these men will feel free to cast
their ballots for me. I believe
that great majority of Texans
will agree with me that in these
crucial times the post of Lieuten-ant Governor should be filled by
a trained and experienced man."Only 13 muscles are required
to smile—fifty to frown.**World Labor Leaders Meet**Six leaders of labor take an informal time out from the General
Conference of the International Labor Organization (ILO), which
met recently at Geneva. The Conference of ILO, a United Nations
Specialized Agency, brings together representatives of labor, man-
agement and government from more than 50 countries. Shown here
are (left to right) Syndolphi de Azevedo Pequeno, of Brazil; John
J. Moersch, U.S.A., Building and Common Laborers' Union; J. H.
Oldenbroek, the Netherlands, International Confederation of Trade
Unions; Fernando Ibañez Aguila, Chile; George P. Delaney, U.S.A.,
American Federation of Labor; and Paul Finet, of Belgium.**RETURN FROM TRIP.**Mr. and Mrs. W. C. Eoff have
returned from a 10 day vacation
trip. While away they traveled
through the Ozarks in Arkansas,
Vicksburg, Mississippi, Baton
Rouge, Louisiana. In Texas they
visited in Beaumont, Houston
and Austin before returning to
Hamlin.The Panama Canal is 300 feet
wide and 45 feet deep.A syllabus is a non-alcoholic
drink made of milk and wine.**POLITICAL
ANNOUNCEMENTS**The Hamlin Herald is authorized

Stamford Funeral For Theodore Segerstrom

Funeral services for Theodore Segerstrom, 52 were conducted Friday at 3:00 p. m., at the Bethel Lutheran Church. Services were conducted by Dr. Hugo B. Haterius, pastor and burial was in the churchyard cemetery.

He was a native of Travis County and had been ill for some time. He was born September 23, 1897. He moved to Stamford in 1904. He married Amy Berry in 1937.

Survivors included; his wife, a son, Lawrence Segerstrom; four brothers, Fritz of Hamlin, Ernest and Nels of Lueders and Walter of Fort Worth; two sisters, Mrs. Alvin Hokanson of Lueders and Mrs. Annie Pearson of Stamford.

Nephews of Mr. Segerstrom served as pallbearers for the funeral.

Professional Nets Large Coyote Toll

A total of 246 coyotes and 11 bobcats have been caught in Jones County by L. W. Whitley of Lueders, trapper who is employed by the Jones County Predatory Animal Control club, according to a report from the state organization.

This number of animals have been caught since Whitley was employed by the club last October. The report was sent to the club from the Texas Predatory Animal Control Association which pays about \$95 in traveling expenses for Whitley. The Jones County club pays the monthly salary of \$155.

The club is composed of stockmen, farmers and business men in the county with Homer Thomas as president and Charlie Myatt as secretary. The club officials urged that anyone needing the services of Whitley contact him at Lueders.

The number of animals caught each month, as announced by the

Sylvester Cops Softball Confalon

Sylvester closed out the city softball league schedule with a rousing victory over Conoco in two straight games to annex the title for that team.

Conoco had surprised the league with a last ditch spurt that brought them into the playoffs by virtue of a tie for the fourth position. They came through to take two of three from VFW and then drubbed Sylvester soundly in the first game of the finals.

Then Sylvester's class began to assert itself and they were not headed in the final two encounters.

Early, Sylvester pitcher, continued to rely on his excellent control to stay ahead of the hitters and his mates came through with base hits when they counted for the victories.

It was first announced that the Conoco team would recruit players from other clubs in the local league and enter the district play at Stamford for the state championship. Satisfactory arrangements could not be made for the handling of this group and entry in the Stamford event was cancelled.

County Bond Sales Go Over Quota Set

In a final report of sales of Series E Savings Bonds in Jones County received this week the county was shown at 158.91 per cent above the quota.

Quota set was \$77,500 for the Independence Bond Drive and total funds raised were \$123,152.00

state report, is as follows:

October, 30 coyotes; November 38 coyotes and three bob cats; December, 19 coyotes and one bobcat; January, 15 coyotes and five bobcats; February, 15 coyotes and no bobcats; February, 15 coyotes; March 12 coyotes; April, 29 coyotes and one bobcat; May, 18 coyotes and seven bobcats and one bobcat.

Hudson Interest In B&H Laundry Sells

According to an announcement in this week's Herald Mr. and Mrs. H. E. Black and G. C. became complete owners of the B. & H. Laundry.

The interest of H. H. Hudson was purchased and name of the concern has been changed to Black's Laundry.

They pledged to serve the public to the best of their ability.

The extended right arm of the Statue of Liberty is forty-two feet long.

Both the words Czar and Kaiser come from the Latin word Caesar.

First of the Fine Cars in Value

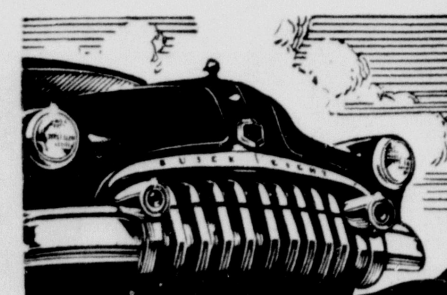

This one Telescopes your Timetable

Of course you recognize it.

Who doesn't know that those four Ventipoints, that graceful sweep of fender-chrome, mark ROADMASTER—best of all the Buicks, unquestioned "big buy" of the fine-car field?

But have you tried it? Have you matched this sweet-stepping bonny against the tall hills, and the call of the straight-away?

Ever toiled it across town—and seen how Dynaflo's quick surge and smooth take-off slip you through traffic with minimum of

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

foot-motion and maximum of timesaving?

Ever known the good feel of a light and easy wheel, swinging almost at a finger's touch—the soul-satisfying lift in a big 152-hp Fireball engine just waiting for the release your toe-pressure gives it?

Ever sampled that famous Buick ride—steady, level, unperturbed, soft with the special gentleness of coil springs on all four wheels, sweetly restful in both front and rear seats?

There's no reason, really, to wait longer for such satisfying experience.

There's a Buick dealer near you. He delights in showing off ROADMASTER. He'll arrange—unless all his demonstration cars have been snatched away from

him by eager buyers—to put you behind a ROADMASTER wheel.

Why not see him now—to find out what's finest in today's fine cars, and how little it takes to buy one?

Only BUICK has Dynaflo* and with it goes:

HIGHER-COMPRESSION Fireball valve, in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.
